INFORMATION FOR SUMMER CAMP IS OUT!

Early Registration Deadline is March 15th!

SUMMER 2007 PROGRAMS & DATES ANNOUNCED!

Just released....programs & dates for Summer Camp 2007 at your Camps of Crossways! Watch your mail for individual brochures and big packets of information coming out regarding Summer Camp. This year, we've got another great brochure detailing everything you need to know to sign up. We sent them to every single camper who has been to any program at any of our camps in the past three years, so everyone should have a brochure and be able to register for a week of summer camp this year!

What are we offering this year? Well, we've got the same great programs we've offered in the past like "Pioneers" for those younger campers, "Wilderness Explorers" for the adventurous campers, "Art in the Pines" for the artistic campers, "Senior YET" for the future leader campers, "Family Weekend" for families who want to get away, and much, much more!

We even have some new programs this year! Below are details on a few of the NEW offerings we have this year!

Hope to see you at one of our camps this summer!

SURVIVOR I.D.V.

July 1-3, 2007

at Imago Dei Village

Survivor I.D.V is an event for Senior High Youth Groups and will be a time for your youth group to participate in group building challenges, social challenges with other youth groups, and individual reflection through bible study and daily devotions. This program gives youth groups who do not have the time or money for a full week program a great opportunity for group building. Each day at camp will consist of bible study, devotion, group challenges, good wholesome camp fun, and nightly "tribal councils" with other youth from around the area. Come out to camp and have a great time with other youth while building relationships within your group that will last for years.

CampHabitat - Servant week for Adults

June 24-29, 2007 at Waypost Camp

Crossways partners with Habitat for Humanity in a special week of service and fellowship. During the daylight hours we will travel to work on a local Habitat house. Later, we will return to camp for some relaxing time around the campfire and an evening Bible study. Add in great food, morning prayer, and warm conversations and you have an experience that will build you up as well.

NEW PROGRAMS FOR 2007!
