# SUMMER CAMP!

**Imago Dei Village, Clintonville**  
**Pine Lake Camp, Waupaca**  
**Waypost Camp, Hatley**

*"Train your children in the way they should go,  
and when they are old they will not turn from it." Proverbs 22:6*

Dear Pastors and Lay Persons,

For more than six decades, the camps of Crossways have been in partnership with Lutheran congregations throughout Wisconsin. As a ministry of those communities of worship, these camps provide a "place set apart" to teach faith and role model Christian values and lifestyle.

Is it any wonder that those who have come before us placed such a high priority on the Bible Camp experience? Your camps have evolved into high quality facilities to meet the expectations of this new age. We continue to improve lodging and year-round meeting spaces so that the generations to come might also venture here to be fed and inspired.

These camps are so much more than a building or a lake. We are here to lift up God's children, and to nurture and encourage them in their Christian walk. We teach the power of Christian love in a world that often promotes hate and fear. Our summer staff build positive relationships with campers through careful programming and designed play. Daily worship centers us. Daily Bible study nurtures us. Daily play refreshes us.

Summer Camp is a wonderful blend of fun activities and positive relationships experienced in a Christian environment. At Crossways, you will find high quality programs for every age group! It is amazing to see how God moves among his people in these holy places!

What kind of life tools are you equipping the members of your congregation with this summer? Life is more than sports camp and school trips. Bible Camp is a gift that you can give the members of your congregation - both young and old. You can point them to an experience that will last a lifetime! It should go to the top of your members' list of important things to do this summer.

Thanks for our partnership in the gospel. We hope to see you and your members this summer! If you have any questions, please call our office at 920-882-0023.

## SURVIVOR I.D.V.

**July 1-3, 2007 at Imago Dei Village**

Survivor I.D.V. is an event for Senior High Youth Groups and will be a time for your youth group to participate in group building challenges, social challenges with other youth groups, and individual reflection through bible study and daily devotions. Each day at camp will consist of bible study, devotion, group challenges, good wholesome camp fun, and nightly "tribal councils" with other youth from around the area. Come out to camp and have a great time with others while building relationships within your group that will last for years.

## CampHabitat

**Servant week for Adults**

**June 24-29, 2007 at Waypost Camp**

Crossways partners with Habitat for Humanity in a special week of service and fellowship. During the daylight hours we will travel to work on a local Habitat house. Later, we will return to camp for some relaxing time around the campfire and an evening Bible study. Add in great food, morning prayer, and warm conversations and you have an experience that will build you up as well.
