FAMILY CAMPING SESSIONS

"Family Camp has been THE MOST IMPORTANT thing we have done as a family over the years... we come back renewed and refreshed and the kids can't wait to go back to camp next year."

Each year, Crossways hosts 65+ families who come to camp for a time away from the busy summer activities. Some families plan a year in advance for time off of work for a week spent at camp with their families. Others take a weekend to spend at camp during the summer.

Regardless of the amount of time spent at camp, fun is had by all who attend! At camp, families can choose how busy they want to be. Some choose to run from activity to activity and do everything that we have to offer while others choose to relax by the lake or under the trees.

A little more about Family Camp Programs

- Family Camp programs are based on the concept of Community, where Christian families gather to play and worship together in a beautiful and safe environment. Expect opportunities daily for swimming, boating, inter generational events, and evening campfire songfests.
- Our programs are directed by full time camp professionals who have many years of experience in outdoor ministries. We know that when we mix organized activities with daily opportunities for you to relax and enjoy the quiet of the north woods, our God is here to renew your spirit and encourage faith...away from the busy-ness of the world we live in.
- Families love our college aged staff who just can't seem to spend enough time interacting with the kids, providing positive role models for your youth while they lead them in activities which give you time to interact with other adults.
- As a Lutheran camp, our Crossways community worships daily, offers small group youth through adult Bible Studies, and encourages families to grow together in Faith through song, sometimes crazy skits, and of course, God's Word.
- Our accommodations are excellent, many of which are new cabins and lodges built or remodeled with in the last 7 years some are brand new this year. Families stay in their own cabins - most with rest rooms in the cabins.

Why come to Family Camp? Because it's fun! Do you need any other reason to spend quality time with your family and create memories that will last for a lifetime?
