FAMILY CAMPING SESSIONS

"Family Camp has been THE MOST IMPORTANT thing we have done as a family over the years... we come back renewed and refreshed and the kids can't wait to go back to camp next year."

Each year, Crossways hosts 65+ families who come to camp for a time away from the busy summer activities. Some families plan a year in advance for time off of work for a week spent at camp with their families. Others take a weekend to spend at camp during the summer.

Regardless of the amount of time spent at camp, fun is had by all who attend! At camp, families can choose how busy they want to be. Some choose to run from activity to activity and do everything that we have to offer while others choose to relax by the lake or under the trees.

Why come to Family Camp? Because it's fun! Do you need any other reason to spend quality time with your family and create memories that will last for a lifetime? Want more information? Visit <http://www.crosswayscamps.org/familycamps.htm>
