Self Determination Camp

Support Partner
Join us as a support partner this summer during Self-Determination Camp (August 15–18). Self-Determination Camp is a program open to young adults (18–40) with intellectual or developmental disabilities, and we are looking for compassionate and enthusiastic volunteers to provide extra support during it. As a support partner, your main role will be to join in all the camp fun and activities, engaging in conversations, providing encouragement, and building connections. You will be a key part in helping ensure each participant has a positive, enjoyable, and fulfilling experience.

Examples of Responsibilities:

- Assist participants in programming
- Support staff by preparing supplies or cleaning up activity spaces
- Accompany participants who may need a break, quiet space, or rest

Qualifications:

- Age 18+ or responsible youth accompanied by an adult
- No previous experience required—orientation provided, and we'll never assign tasks beyond your comfort level
- Friendly, patient, and enthusiastic attitude
- Willingness to follow staff guidance and adapt to camper needs
- Comfortable engaging with people with disabilities
- Flexible scheduling—we welcome both full and partial program commitments
