

# Bring your youth closer to **God** and each other - Sign up for 2026 Confirmation Camp now!

**CROSSWAYS**  
CAMPING MINISTRIES

## 2026 Process for Confirmation Camp Registration:

1. Submit the [Inquiry Form](#) for Confirmation Camp.
2. Crossways will provide you with an account login, plus a custom code for your students.
3. Registration opens December 1st. Encourage your students to register as soon as possible! You can view real-time registrations using your account login.
4. Pay a \$100 non-refundable deposit per registered camper on March 15th.
5. The final invoice for the remaining balance is due within 30 days after the program ends.

Confirmation Camp is a week-long experience designed to deepen faith, build lasting friendships, and create unforgettable memories. Through engaging worship, fun activities, and meaningful discussions, campers will grow spiritually while enjoying the beauty of creation. It's a chance for youth to connect with God and each other in community.

## Open Registration - No Holds

Last summer we transitioned to open registration, no longer holding spaces for congregations. This change means congregations are only billed for deposits tied to current registrations, and Crossways can more effectively plan staffing, lodging, and additional programming. To support this transition, congregations will have real-time access to view registrations associated with their group, helping leaders guide families through the registration process.

## Waitlist Process - Begins March 15th

After March 15th, all registrations will be received through a waitlist process and be transferred to full registration based on available capacity.

## Congregational Adults

We welcome congregation adults, including pastors, youth leaders, or volunteer teachers, to join the Confirmation Camp experience, though it's not required. Our trained camp staff are prepared to serve the leadership roles.
