RESERVATION/REGISTRATION PROCEDURES

We are excited to announce **confirmation camp registrations will now be managed online!** This is a huge shift from years past and we will walk you through every step. Congregations will receive a letter and an email with information on reserving your group's week/site and getting campers registered for camp.

Online group reservations (via SurveyMonkey) will open **October 1st** - watch for an email going out with the reservation link that morning. Groups are accepted on a first-come, first-serve basis. When your reservation date, site, and number of spots is received you will receive an invoice for a \$50 deposit per spot reserved, due within 30 days. A deposit is required to confirm your reservation. Upon receipt of your deposit payment you will receive instructions for online registration! Each congregation group will be assigned a unique group code families must use to register for your specific week of camp. As long as they have your group code, families can start registering as early as **November 1st**, when we open of Summer 2019 registration online.

Visit www.crosswayscamps.org/confirmation-camp for more detailed instructions.

If you have not received a letter or email from us please contact info@crosswayscamps.org - we'll add you to our contact list for confirmation camp communications!
