EARLY ARRIVAL

Early arrival guests can arrive anytime after 4:00pm on Thursday. Dinner on Thursday is not provided, so please plan to bring your own provisions or plan to enjoy dinner elsewhere!

THERE'S A LOT OF "OPEN" TIME... DO WE JUST CRAFT?

We "craft" our craft retreats to give you the most amount of time possible to work on your projects! You can collaborate with other guests, work solo, listen to music, chat, and just have an all around great time. Bring whatever project(s) you're working on and watch how much progress you make with so much dedicated time!

Guests are also welcome to enjoy our camp - staff are available to lead hikes, and you're also able to set out for a walk on your own. Take the opportunity to enjoy sitting by our lake and in the quiet of the woods.

LODGING & MEALS:

Lodging will be provided in Evergreen Lodge and Juniper Lodge (selected during registration). Linens/bedding/pillows are provided in Evergreen Lodge. Juniper guests will need to bring bedding, a pillow, and towels.

Meals will be served in our Dining Hall and will include Friday dinner, Saturday breakfast, lunch, and dinner, and Sunday breakfast and lunch. Early arrival guests (extra fee) also receive Friday continental breakfast and lunch.
